THE VILLAGE OF WEDMORE

**WEDMORE. OFTEN HAILED AS ONE OF THE MOST BEAUTIFUL VILLAGES
IN SOMERSET. IS BRIMMING WITH QUINTESSENTIAL ENGLISH CHARM.**

Nestled between two of the county's larger rivers and perched on elevated ground above the Somerset Levels, the village is also known as 'the Isle of Wedmore' due to its positioning.

The historic village boasts a number of popular boutiques, cafés, and traditional pubs such as The Swan and The George Inn. It is also home to The Wedmore Festival which has become a regular annual feature of village life. The festival aims to promote the tradition of arts-based events in the area by staging a broad range of high-quality creative activities.

For families, Wedmore offers excellent educational options. Wedmore First School Academy and Nursery are conveniently located near the village playing fields and tennis courts, just a 15-minute walk away from The Close. Hugh Sexey Church of England Middle School, less than two miles from the village, is set within 17 acres of grounds, featuring play areas, sports fields, tennis courts, a swimming pool, and gardens.

Within a 10-mile radius of The Close at Cross Farm, you'll also find the prestigious Wells Cathedral School and the highly regarded Millfield School, one of the UK's top independent schools.

Less than 10 miles from Wedmore, you can discover the spectacular limestone caves of Cheddar Gorge and Wookey Hole, both offering a wide range of family-friendly activities.

Wedmore is also conveniently located near the historic Cathedral city of Wells and the famous town of Glastonbury, with its iconic tor rising majestically above the Somerset Levels.

The City of Bristol, less than 25 miles away, offers a top-ranking university, diverse shopping, leisure, and entertainment options for all tastes.

For those looking to travel further, Bristol Airport is easily accessible from Wedmore, making it a convenient hub for both business and leisure trips.

THE VISION

The architectural vision for The Close was to reflect the colours, textures and forms of the neighbouring first development phase, Cross Farm and the local vernacular in Wedmore.

Much like many of the neighbouring properties; the new homes use high-quality, traditional building materials such as stone, timber, brick and render with a sympathetic yet contemporary interpretation.

The concept for the site layout was to create an intimate courtyard feel, similar to the existing streets and lanes in Wedmore by setting out the homes around an informal common space. With the homes and garages varying in scale and appearance, it also gives the sense of a streetscape that has developed harmoniously over time. Featuring front doors with canopies which open onto the central space to provide a community feel.

The homes feature large windows and glazed doors to provide bright welcoming living spaces, that embrace views of the surrounding countryside and create a flow from inside to out. The Close at Cross Farm provides the benefits of new purpose-built spaces for modern living with the aesthetics of a traditional village.
